

A: BIT Centre Premises Entrepreneur application form. (Pre-incubator terms)

Name
Address
Telephone /mobile:
Telefax
E-mail

This form serves as a guideline for **entrepreneurs** which not yet have a certain idea for their future business, or are in doubt if their idea is good enough, but nevertheless are **determined** to start a business. In such situation the BIT-Centre will be able to offer a short term contract for the entrepreneur in order to help evaluate and develop the idea, or to search for new business ideas which will have a better market potential.

Please answer the questions from the best of your ability, and afterwards this will form the basis for a discussion between the company and the BIT Centre management. (If you have no specific idea, please answer the questions regarding your competence and entrepreneurial skills and interests)

1 .Type /name of the idea.

Describe in short what the idea is about. And who is the owner of the idea.

2. Degree of development of the idea

Is it still a theoretical idea, or have some tests, studies, prototyping or market tests been conducted ?

3. Market potential

Which problems or tasks can the idea solve, or contribute to, and in what type of markets.

4. Competence and skills

What type of core competence and skills do you possess, and what type of competence do you lack, or have a need for?

5. Entrepreneurial skills and interests:

Do you regard yourself as an entrepreneur, and what are your entrepreneurial skills and experiences? What are your interests?

6. Need of Partners:

What type of partners do you think is necessary for developing your ideas market potential?

7. Co-operation

In which fields do you anticipate that you can profit from the Network of BIT-Centre and / or the other companies in the Centre?

Date, and signature.
